Rural development projects for next three years

1183. SHRI GIREESH KUMAR SANGHI:
SHRI DHARAM PAL SABHARWAL:

Will the Minister of RURAL DEVELOPMENT be pleased to state:

(a) the plans of Government for the development of rural projects during the next three years;

(b) what is the amount earmarked for rural development projects for the next three years;

(c) whether Government have any plans to construct hospitals, dispensaries, primary school buildings, Panchayat Ghars and Community Centres during the next three years; and

(d) if so, the details of projections of Government in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRIMATI SURYAKANTA PATIL): (a) to (d) The Government have launched a

number of programmes in the recent past for creation of economic and social infrastructure under which different projects are taken up for rural development. Bharat Nirman is one of the initiatives taken by the Government in this regard. 'Bharat Nirman' a business plan for building rural infrastructure to be implemented over a period of four years *i.e.* 2005-09. It has six components namely Irrigation, Roads, Water Supply, Housing, Rural Electrification and Rural Telecom Connectivity. The total investment under Bharat Nirman to be made during the 4 years has been estimated as Rs. 1,74,000 crore. The Ministry of Rural Development is implementing three of the above six components of Bharat Nirman namely Rural Roads, Rural Water Supply and Rural Housing. The Ministry of Rural Development is also implementing wage employment programmes of National Rural Employment Guarantee Scheme (NREGS), Sampoorna Grameen Rozgar Yojana (SGRY), and a self-employment programme of Swarnjayanti Gram Swarozgar Yojana(SGSY), Area Development Programmes. Construction of additional classrooms is one of the components of Sarva Shiksha Abhiyan being implemented by the Ministry of Human Resource Development. Upgradation and Setting up of Community Health Centres/Hospitals at different levels is a part of National Rural Health Mission of the Ministry of Health and Family Welfare. For strengthening the Panchayati Raj Institutions, Ministry of Panchayati Raj is implementing a separate scheme of Rashtria Gram Swaraj Yojana under which assistance is provided for construction and maintenance/upgradation of Panchayat Ghars.

The outlays for rural development programmes of different Ministries are projected in the Five Year Plans which are split into Annual Plans. While the process of finalization of Eleventh Five Year Plan is underway, the Annual Plan outlay for the year 2007-08 which is the 1 st year of Eleventh Five Year Plan has been indicated as Rs. 3678 crore for Sarva Siksha Abhiyan, Rs. 11010 crore for National Rural Health Mission and for National Rural Employment Guarantee Scheme as Rs. 12000 crore.

Swajaldhara Scheme

1184. SHRI JANARDHANA POOJARY: Will the Minister of RURAL DEVELOPMENT be pleased to state:

(a) the details of the Swajaldhara Scheme;

(b) the quantum of allocation made, released and spent under the scheme during the last five years, year-wise and State-wise;

(c) whether, it is a fact that the fund under the scheme is released in installments and some instalments are yet to be released; and

(d) if so, the details thereof, State-wise, and the likely time-frame for releasing the pending instalments, with special reference to Karnataka?

THE MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRI CHANDRA SEKHAR SAHU): (a) Swajaldhara was launched on 25th December, 2002. The programme is based on demand driven approach with community participation. It is based on empowerment of villagers to ensure their full participation in the project through a decision making role in the choice of the drinking water scheme, planning, design, implementation, control of finances,
